

- ✓ Looking for new business contacts?
- ✓ Want to know more about your potential clients?
- ✓ Don't want to waste time by creating clients databases?
- ✓ This and much more?

- **First time in Europe,**
- **First time in the Czech Republic,**
- **First time at Aqua-Therm**

Get information about visitors through your phone apps and fully use and **evaluate the costs spent on participation** at the trade fair Aqua-Therm Prague 2016.

+ Free admission for your clients

+ Updating business contacts for you

After filling out a simple registration form on the web site the visitor will receive a voucher for free admission.

**Each registered visitor** will get at the cash desk lanyard and personal Registration card with individual **QR code** containing contact details about the visitor:

- Name, surname
- Job title
- Company
- Address
- Phone
- E-mail
- Area of interest
- Indication of annual and venue of the trade fair Aqua-Therm

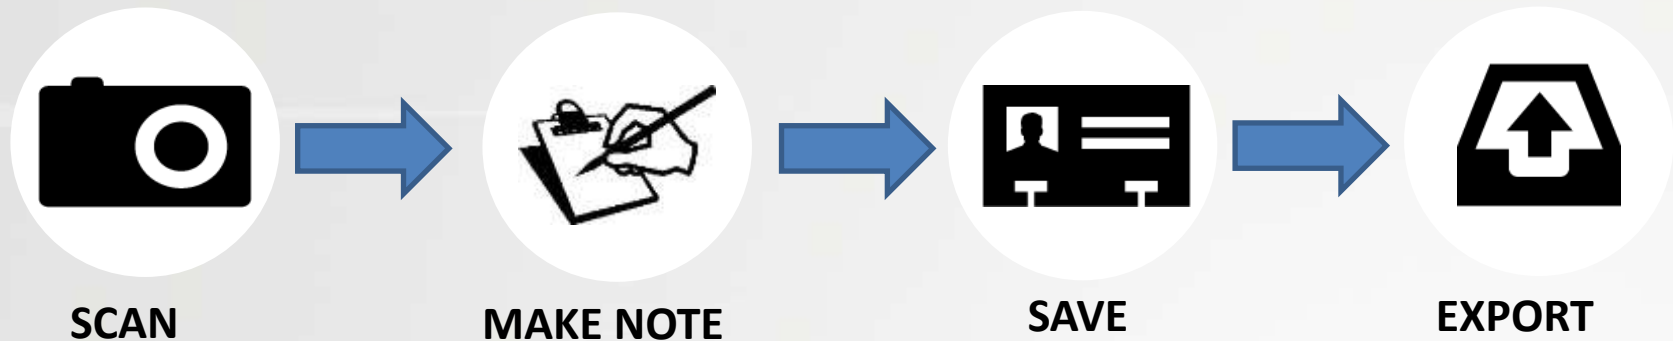

# Get contacts immediately

**By using a simple app in your smartphone you'll be able to scan the visitor's QR code and further work with it.**

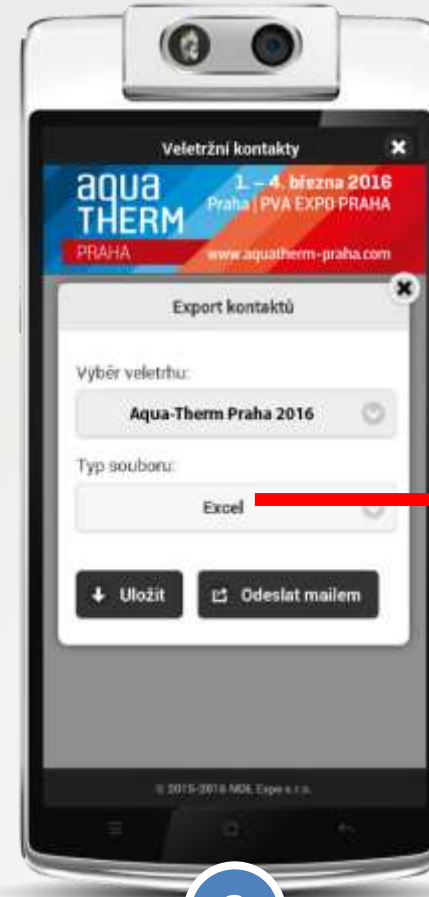

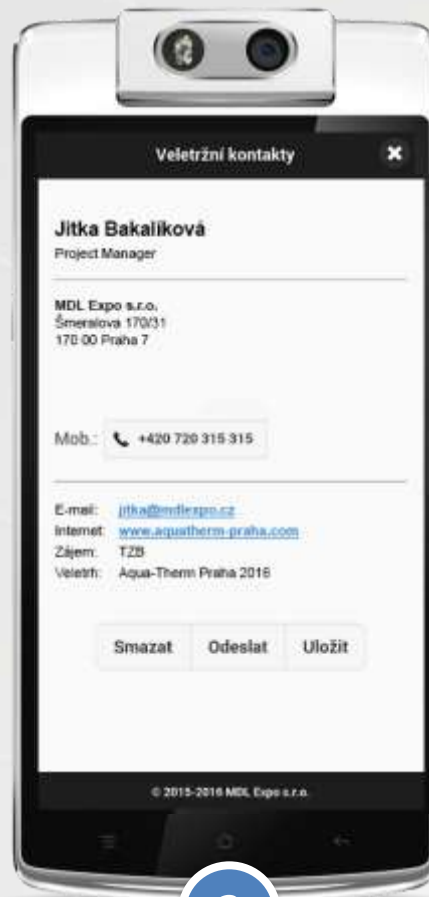

It is a simple app with minimalistic control without necessity of any Server cooperation or functional Internet connection.

The app is ready for operating system Android, iOS.

Simply:

# In 3 steps...

- 1. Excel
- 2. Outlook
- 3. Memory stick
